

Application No.: 10/714,090
Amendment dated: July 5, 2006
Reply to Final Office Action of April 4, 2006
Attorney Docket No.: 22176.25 (ITW-14378)

b) Remarks

Turning first to the Office Action Summary Sheet, Claims 1-20 are pending in this application. Claims 1-9 and 14-20 are withdrawn from consideration. Claims 10-12 are rejected. Claim 13 is objected to. The drawings filed on September 22, 2005 were accepted.

Claim 13 was objected to because of informalities. Claim 13 has been corrected to overcome these informalities.

The Patent Office stated that Claim 13 would be allowable if rewritten in independent form including all the limitation of the base Claim 10 and any intervening claims. Accordingly, Applicant incorporated Claim 13 into its base Claim 10 (There are no intervening Claims), which is now allowable. Claims 11 and 12 now depend off allowable independent Claim 10. Claim 13 has been cancelled. Notice of Allowance is not respectfully requested.

Should any questions arise, the Examiner is encouraged to contact the undersigned.

Respectfully submitted,

Houston Eliseeva LLP
